The Secretary to Government,
Public Health Department.

Through:- The Surgeon General with the Government of Madras, Madras.

Through:- The District Medical Officer Incharge, Government Wellesley Tuberculosis Sanatorium Bellary.

Respected Sir,

The humble representation submitted by B.N.Ramaswami Acting clerk, Government Wellesley Tuberculosis Sanatorium Bellary respectfully showeth.

That he has been appointed as IInd Grade Petty Officer in the Junior Certified School, Bellary on 7-10-1937 and he was subsequently transferred to Wellesley Sanatorium Jail, Bellary as an attender on 1-8-1940. On the transfer of the Wellesley Sanatorium Jail Bellary on 1-10-1947 he was appointed to act as clerk in the Alipuram Jail, Bellary. On 7-9-1948 when the War returned candidate was joined in the Alipuram Jail, Bellary the petitioner was transferred to his original post in Government Wellesley Tuberculosis Sanatorium Bellary and now working as clerk in Government Wellesley Tuberculosis Sanatorium Bellary.

The petitioner begs to submit that ever since he was appointed he has discharged his duties to the entire satisfaction of his superior Officers in the various offices, without any remark and break in service. He begs to submit that he has acquired full knowledge of a clerk. The petitioner appeared for the S S.L.C. public Examination held in the year 1937, but could not come out sucessful. Due to various domestic troubles and other inconveniences such as poverty and the consequent dire need to find employment for supporting the family he could not sit for the examination a second time. The petitioner begs to submit that he sat for the Service Commission Examination held in October 1947, and 1948, so as to qualify himself for promotion as clerk but as ill luck would have it he could not succeed. He has no other go but to approach the Government for favour of sympathetic consideration.

The petitioner begs to submit that he has put in 11 years satisfactory service, during which period he has worked in various

various capacities and gained love and esteem of one and of his officers, under whom he worked by his hard work willing obedience and amiable temper. Copies of testimonials for the same are herewith enclosed. He has worked as a lower division clerk from 20-7-1945 to 2-10-1945 and again from 1-6-1947 till this date as a temporary measure. On 1-10-1947 at the time of handing over Wellesley Sanatorium Jail to the Medical Department the petitioner was the only one clerk and handed over all the records and correspondence correctly to the Medical Department and Alipuram Jail, Bellary.

The failure to pass ~~khx~~ either the S.S.L.C. examination or the Madras Service Commission Examination of whose unfortunate victim he had chanced to be may not be taken as the guiding factor to seal his fate as to rot in the post of an attender throughout his life, especially in view of the fact, that throughout his period of about 2 years period of service as Lower Division clerk he had conducted himself in such a way as to ~~not~~ not only earn appreciation but also laurels from the various officers under whom he had the good chance to serve all with the efficiency and aptitude with which he has hither to discharged and have been discharging in the post of a lower division clerk. Even apart from his carrying out ably as a clerk in the midst of other office staff, he has also worked single handed and efficiently sorted out all the various registers and records in the interim period of the Jail Sanatorium being closed down and general Sanatorium being opened into place, which fact has amply been testified to by his Officers.

If not for the reason of minimum qualification atleast on the ground of his acoredited and approved efficiency, the petitioner request the benign Goverrment to condone his qualification disability and to favour him with a permanent promotion to the cadre of Ministeri al Services, at least in the lower Division. It may kindly be seen that he is not aspiring far too much beyond the sphere as his prayer only stands analogy to what has been obtained in the case of some attenders (unqalified of course) in the Educational Department

Recently the Madras Public Service Commission was pleased to select the candidate as regular lower division clerks who possess the educational qualification of Vth form and some have not even appeared for the S.S.L.C. public examination and rendered only 3 years war services and they did not sit for the competative examination whereas the petitioner possess higher qualification and longer service and sat for the competative examination than the above named clerks. The petitioner further begs to state that one Mr.Erudianathan, Muchi in the office of the Deputy Inspector General of Police, Bellary who studied only upto IVth Form and non War Service Candidate and did not sit for the competative examination was exempted by the Government of Madras, Home Department, in the year 1946. Whereas the petitoner possess higher qualification and sat for the competative examination than Mr.Erudianathan. One Sri D.Subramaniam, Attender in the office of the Inspector General of Prisons, Madras who ~~studied~~ is a S.S.L.C. failed candidate and did not sit for the competative examinations was exempted by the Government of Madras, Home Department. Whereas the petitioner also possess the ~~same~~ same educational qualification and sat for the competative examination. Recently the attenders in the Highways Department were regularised as clerks giving criterion of ten years service irrespective of their Educational qualification in G.O.No.Ms.4636 Public Works Department dated 30-11-48 a copy of the G.O. is herewith enclosed. The petitioner request the same concession may kindly be shown on him also. It may thus be seen that his request tantamount only to extend to him the same privilege as is allowed in the cases mentioned above and as such he requests the Benign Govermment to view his case with the same sympathy and earn his life long gratitudes.

When the Service Commission candidate joins duty in the Government Wellesley Tuberculosis Sanatorium Bellary, the petitioner will be reverted to his original post as attender and the ~~pay~~ scale of pay of attender is very low. By regularising the petitioner into a lower division clerk the Government will pay only the additional pay of Rs.12/- P.M. The petitioner is still working as temporary eventhough he has put in 12 years continous service and not confirmed in the Jail Department or in the Medical Department.

The petitioner is therefore begs to request the benign Government to consider his case sympathetically in view of his long and faithful service and regularise him to the Ministerial Service as lower division clerk as done in the case of Mr. Erudianathan, Sri D.Subramaniam, Attenders in the Highways Department.

The petitioner begs to remain,

Respected Sir,

Your most obedient servant,

B. N. Ramaswamy.
